## 酷殘陣線戰鬥手冊

北美館觀眾用 | For TFAM audience

這是由酷殘陣線成員與觀眾共寫戰鬥手冊的區域，大家一同不斷演進、集體創作出的「身體恩仇錄」。

您可以取下頁面、做自己的練習與筆記，並用紙膠帶將之貼在作品環境。您所填寫的內容將會被定期收集，並在整個項目過程中不斷納入或修訂。

小冊共寫的階段性內容，在展期結束後，會被掃描存取到許多的隨身碟中，這些隨身碟將隨機放置在台灣咖啡店或書店間，供人存取。

這個小冊被寫上的內容，都會以 **CC-BY-SA 4.0** 授權，意指他人自由分享、修改和商業這個計畫裡的內容，但需署名來自本計畫來源，並能以相同的許可條款分享衍生作品。

This booklet is co-written by BOTAMEVE members and its audience, and represents a collective work in progress on sharing the body's tale of vengeance and mercy.

**Feel free to use the physical pages to make your own comments, and paper-taping your answers on the wall. The contents you contribute will be regularly collected, and the booklet will be revised throughout the course of the project.**

The co-writing process of this booklet will be scanned and stored on multiple USB drives, which will be randomly placed in cafes or bookstores across Taiwan for people to access.

The content written in this booklet will be licensed under **CC-BY-SA 4.0**, meaning that others are free to share, modify, and commercially use the content of this project, but must attribute it to the project's source and share derivative works under the same license terms.
